

# Austin is in Stage 2 Watering Restrictions\*

Please note that watering days and times and other restrictions have changed with the passage of the new Water Management Plan in August 2012. Five drought stages ramp up water use restrictions during times of drought to maximize water conservation. These stages are aligned with drought triggers such as lake levels and water consumption. Conservation staff enforces the Water Use Management Ordinance and can issue violations.

\*Check [www.WaterWiseAustin.org](http://www.WaterWiseAustin.org) or call Water Conservation at 512-974-2199 for the most current water restrictions.
